Winter grazing only between November 15 and May 15 each year of the contract, unless written exception is received from the CLO. A written grazing plan will be developed by lessee specifying number of head of livestock to be placed on lease and when livestock will be placed on and taken off lease. This plan must meet the approval of the supervising Real Estate Management Specialist, Randy Schreiner, and will be provided to him each year of the contract prior to livestock being placed on the lease.
