**4. KPMG FY2013 Financial Audit (informational only)**

1. Presented by a representative from KPMG
2. Discussion

Dee Niles and Sarah Reed from KPMG reported the 2013 audit was an unmodified audit opinion conducted under the Generally Accepted Auditing Standards (GAAS) and Generally Accepted Governmental Auditing Standards.

Three new Governmental Accounting Standards Board (GASB) statements were adopted in 2013. GASB Statement No. 63, Financial Reporting of Deferred Outflows of Resources; GASB Statement No. 65, Items Previously Reported as Assets and Liabilities; GASB Statement No. 62, Codification of Accounting and Financial Reporting Guidance contained in Pre-November 30, 1989 GASB and AICPA pronouncements. No other new policies were adopted during the current year and applications of existing policies were consistent with prior years.

The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards. There were no requests for corrected audit misstatements necessary this year. Internal controls are operating as they are designed without any sufficient deficiencies or weakness.

**5. Request Approval of Amendment to Long Term Commercial Lease**

Contract No.	County	Lease No.	Annual Rent	Lessee
4307	Alfalfa	101379	\$79,100 Escalates each five years	Oklahoma Department of Corrections
		101453		
		101454		
		101455		
		205284		
	Greer	101779		
	Lincoln	100682		
100683				
100684				

The Oklahoma Department of Corrections (ODC) currently has a long term commercial lease contract that includes nine leases in three counties. The leases are used for agricultural purposes and are managed by ODC Agri-Services Division to enable inmates to learn valuable job skills and work ethics. The 30 year contract began January 1, 2000, with rent escalating every five years according to the schedule included in the contract. Current rent is \$79,100.

As per section 2.3 of the contract ODC has requested to relinquish the following four leases effective December 31, 2013, all in Alfalfa County: 101453; 101454; 101455; 205284. They will continue leasing five leases: Numbers - 100682, 100683, 100684 in Lincoln County; 100379 in Alfalfa County; 101779 in Greer County. Annual rent will be adjusted to \$57,000 for 2014, escalating 10% every five years according to the original contract time schedule. All other terms of the lease contract will remain the same.

Recommendation: The Director of Real Estate Management recommends amending the above described long term commercial lease contract with the Oklahoma Department of Corrections by reducing the number of leases from nine to five and adjusting the rent accordingly.

1. *Presented by James Spurgeon, Real Estate Management Director*
2. *Discussion*
3. *Commission action in which the Board may approve, disapprove or table the matter and/or direct staff to take further action.*

This agenda item was presented by James Spurgeon, Real Estate Management Director. He noted that lease number 100379 in Alfalfa County was incorrect on the agenda and asked the correct lease number of 101379 in Alfalfa County be stated for the minutes.

A MOTION was made by Commissioner Reese and seconded by Lt. Governor Lamb to approve the relinquishment by the Oklahoma Department of Corrections of four leases in Alfalfa County: 101453; 101454; 101455; 205284, effective December 31, 2013, per the Amendment to the long term commercial lease contract number 4307.
