COMMISSIONERS OF THE LAND OFFICE

2023 ANNUAL REPORT

Fellow Oklahomans,

Having been born and raised in Oklahoma, I have a vested interest in contributing to the growth of our great State. The foundation for any community is the development and enhancement of our public schools and universities. I am proud to be a part of an agency that has been providing much needed revenues since Statehood. The Land Office was designed to generate income from one of the most valuable assets the State has. . .land. Our founding leaders knew that the only way to ensure perpetual income for current and future beneficiaries was to place this asset in an investment trust. I am honored to say that the hard-working employees of the Commissioners of the Land Office, both past and present, have worked diligently to maximize the revenues, while protecting the corpus.

In our mission of "Managing Assets to Support Education," the CLO is guided by our core values of being good stewards of the land, minerals, and investments the agencies manages; actively managing Trust assets, ensuring every dollar owed to beneficiaries is paid timely and accurately; creating and maintaining and investment policy consistent with Oklahoma Constitutional mandates; keeping records of preservation to ensure accuracy and transparency; and creating efficiencies in operations, hiring, and retaining professional and qualified staff.

Along with being focused on maintaining the Trust, it is imperative that the Land Office operates in a transparent, collaborative way within the community. We must never lose sight that being a good neighbor to our citizens should always be a factor.

I am honored to have the privilege to work with so many hard working, compassionate people who have the student's best interests as our driving force every day.

Dan Whitmarsh
Secretary

Commission

Kevin Stitt
Governor

Matt Pinell
Lieutenant Governor

Ryan Walters
Superintendent of Public Instruction

Cindy Byrd
State Auditor & Inspector

Blayne Arthur
Secretary of Agriculture

Administration

The administration, legal and information technology divisions of the CLO work together to ensure the revenue-generating divisions are equipped, trained and protected to fulfill their functions.

The administration division is responsible for the overall management of the Land Office, while the legal division advises and counsels the commissioners, secretary, and agency personnel. CLO's IT division provides computer support, security, and general IT services.

2023 Largest Accomplishment

- As a unified team with the efforts of every CLO staff member, distributions increased to beneficiaries by 5.7% over Fiscal Year 2022 while also adding $5.4 Million to the agencies multi year stabilization fund. This was accomplished with a reduction in our overall appropriated budget.

Real Estate

The Commissioners of the Land Office has nearly 726,000 acres of land in 42 counties managed by the Real Estate Management Division. Income earned through leasing these lands is directly distributed to the beneficiaries of the trust.

Approximately one-fifth of the total agriculture leases are appraised and offered annually for a five-year term. The division also works with lessees to protect and improve trust land for generations to come.

2023 Largest Accomplishment

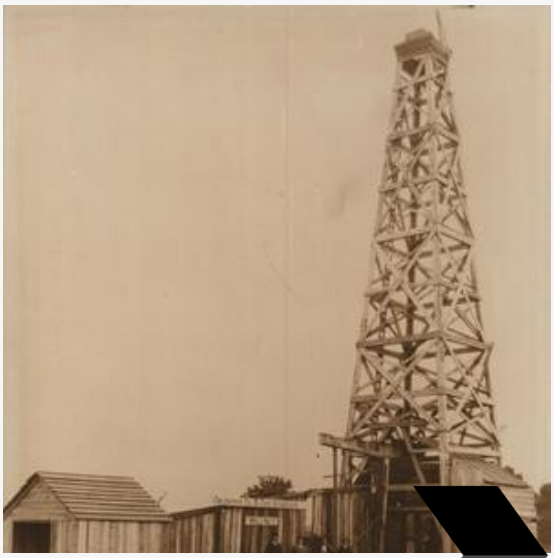

- For the Fall 2023 lease auctions, the live auctions process benefitted from improved efficiencies. With assistance from the IT Division, the check in and check out process was modernized. This resulted in the elimination of lines and reduction of paper transactions.

Minerals

The Minerals Management Division oversees the leasing of nearly 1.1 million mineral acres held by the CLO for the benefit of public education. The Royalty Compliance Division ensures the CLO is properly compensated for those mineral assets.

Together, these two divisions ensure maximum benefit for Oklahoma's current and future students while protecting the mineral assets of the CLO.

2023 Largest Accomplishment

- Implemented a new check template upload for oil and gas producers. This provides produces a method to report payments that meets statutory requirements while also ensuring reporting accuracy by reducing time and errors relating to manual data entry.

Commercial Real Estate

The Commercial Real Estate division manages the CLO's commercial real estate and direct investment portfolios, CRE manages 21 assets across the state, more than 350 active commercial leases and 8 million dollars in direct investments.

CRE provides an opportunity to diversify the Commissioners of the Land Office's property holdings within Oklahoma.

2023 Largest Accomplishment

- Transitioned out of non performing and underperforming real estate assets. This resulted in both an increase in distributions and a substantial recognized return on asset back into the trust, growing the Trust's corpus value.

Financial Services

The Financial Services division is responsible for the accounting, financing, the investment portfolio and overall financial health of all seven of the CLO's educational trusts.

In addition to generating more than 75 percent of distributable revenue, this division also ensures distributions are made directly to local school districts and universities every month.

2023 Largest Accomplishment

- Completed a successful request for proposal for a new custodial bank. In Fiscal Year 2024, the CLO will transition to Northern Trust, which will allow the agency to recognize efficiencies and improve beneficiary investment portfolio reporting.
