ANNUAL REPORT

OKLAHOMA
COMMISSIONERS OF THE LAND OFFICE

COMMISSION

Governor Kevin Stitt is leading Oklahoma with a vision to become Top Ten in job growth, infrastructure, education and more.

He is an entrepreneur who founded Gateway in Tulsa, Oklahoma, in 2000. Starting with only $1,000 and a computer, he grew Gateway into a nationwide mortgage company operating in 42 states and servicing more than $20 billion in residential mortgages. In 2018, he led Gateway through a merger and established Gateway First Bank, which today is one of Oklahoma's 10 largest banks by assets with over $2 billion in assets, 166 mortgage centers across the U.S., and more than 1,600 employees.

Oklahomans spoke in record numbers that they wanted Stitt to use his business acumen to transform the state. In 2018, he received more votes than any gubernatorial candidate in state history in his first bid for elected office of any kind.

Governor Stitt has taken a groundbreaking approach to his administration by appointing the most female cabinet secretaries in state history and tapping expert advisors from the private sector, including the first chief operating officer in state history.

He is committed to delivering taxpayers more for their money, and his fiscally conservative leadership helped the state build its largest savings account in history, which proved to be prophetic in the face of an oil and gas downturn.

Stitt is a fourth-generation Oklahoman and a graduate of Oklahoma State University. He and his wife, Sarah, have been married for 25 years and they have six children.

Lieutenant Governor Matt Pinnell was elected as the 17th Lieutenant Governor of Oklahoma on November 6, 2018. Pinnell is President of the Oklahoma State Senate and serves on multiple constitutional boards and commissions, including serving as Chairman of the Oklahoma Tourism Commission and Route 66 Centennial Commission. He has set his Lt. Governor agenda focused on workforce and economic development issues.

Pinnell is the chief marketer of Oklahoma and spends much of his time promoting Oklahoma. In partnership with the Oklahoma Department of Commerce, he launched a talent recruitment

campaign targeting the Dallas-Fort Worth Metroplex. He also works to retain and attract companies to the state by hosting events throughout the year, including the annual Lt. Governor's Turkey Hunt, a two-week event that showcases Oklahoma to prospective out-of-state companies and site selection representatives.

As an entrepreneur himself, Pinnell champions small business growth. He advises the Oklahoma Department of Commerce on small business growth, entrepreneurship, and workforce

development. In 2022, he launched 'A Look at Oklahoma CareerTech,' a video interview series that showcases the education and employment opportunities the state's CareerTech system provides. Pinnell launched a statewide rebrand in 2020, a campaign that has streamlined state agency processes and saved taxpayer dollars.

Matt has an advertising degree from Oral Roberts University. He lives in Tulsa with his wife of 22 years and their four children.

Superintendent of Public Instruction Ryan Walters taught eight years as a high school history teacher in his hometown at McAlester High School (MHS). During his time at MHS, Walters taught Advanced Placement (AP) courses in World History, U.S. History and U.S. Government. He also taught on-level history classes, special education classes and Advancement Via Individual Determination (AVID) classes.

The Oklahoma State Department of Education (OSDE) named Walters as an Oklahoma Teacher of the Year Finalist in 2016. He is passionate about the students of Oklahoma and advocating for their immediate and long-term success.

In September 2020, Governor Kevin Stitt named Walters as Secretary of Public Education. As Secretary of Education, he was responsible for various agencies, boards, and commissions, including the State Board of Education, College and University Boards of Regents or Trustees, Office of Educational Quality and Accountability and the State Board of Career and Technology Education. Walters taught AP U.S. History at Millwood High School and McAlester High School. He is empowering teachers, parents and community leaders to improve Oklahoma's education system for all students and previously served as Executive Director of Oklahoma Achieves, an education initiative of the State Chamber of Oklahoma that sought to get the business community more actively engaged in education.

He is a lifelong advocate of improving Oklahoma's education system and helping every student reach their full potential.

A loving husband to his wife Katie, Walters has four children — Violet (6), Ella (4), Benjamin (2) and newborn Samuel.

State Auditor & Inspector Cindy Byrd, CPA, is Oklahoma's 13th State Auditor & Inspector and the first woman elected to serve as the taxpayer's watchdog.

A CPA with over 25 years of government auditing experience, Cindy began her journey as an auditor in 1997.

Throughout her tenure, Cindy has moved through the ranks and conducted every type of government audit possible across Oklahoma. Her audits have identified millions of dollars in misappropriated tax dollars and waste of public funds at every level of government.

Cindy took on the role of County Audit Division Director in 2011. Through her leadership, the Division eliminated a five-year backlog of county audits.

In 2013, Cindy was appointed Deputy State Auditor over Local Government Services and served in that capacity until her election as State Auditor in 2018.

By the end of her second term, Cindy will have published over 3000 audits including the following which garnered statewide, legislative, even national attention: Oklahoma Health Care Authority – Medicaid Eligibility Audit, EPIC Charter Schools – received the 2022 Excellence in Accountability

Award for Forensic Audit by the National State Auditor's Association, Oklahoma State Department of Health –PPE expenditures, & OESC – Fraudulent unemployment claims

Cindy and her husband Steve live in Coalgate located in Coal County, Oklahoma.

On January 14, 2019, **Secretary of Agriculture Blayne Arthur** was sworn in by Governor Kevin Stitt as the Oklahoma Secretary of Agriculture—the state's first female to hold the position. She acts as Governor Stitt's chief advisor on policy development and implementation related to agriculture, food and forestry, and holds the titles of Oklahoma Commissioner of Agriculture and the President of the Oklahoma State Board of Agriculture.

Secretary Arthur grew up in Chickasha, Oklahoma, where her family raised horses, cattle, wheat, alfalfa and soybeans. Upon graduating from Oklahoma State University in 2004, with a bachelor's degree in agricultural economics, Sec. Arthur took a role in small-business financing for Rural Enterprises, Inc and traveled throughout Oklahoma. Secretary Arthur began her tenure at the Oklahoma Department of Agriculture, Food, and Forestry in 2009 working for Secretary Terry Peach and later as the Deputy Commissioner of Agriculture for Secretary Jim Reese where she stayed from 2011 to 2016. In 2016, she served as the Executive Director for the Oklahoma 4-H Foundation until her appointment by Governor Stitt.

Secretary Arthur is the President of Food Export-Midwest, and she served as the President of the National Association of State Departments of Agriculture for the 2023-24 term. She served as the President of the Midwestern Association of State Departments of Agriculture in 2019. She is the 2016 Oklahoma Cattlemen's Association Distinguished Service Award Recipient; remains active in Oklahoma Farm Bureau, Diamond Hats, Oklahoma Beef Council and Oklahoma 4-H and FFA programs. Arthur has been selected for multiple honors including Oklahoma Agricultural Leadership Program Class XV, a Journal Record 2011 Achievers Under 40 honoree, a Journal Record Fifty Making a Difference Honoree in 2019 and 2020 and the 2014 Oklahoma Agricultural Woman of the Year.

Secretary Arthur married Jerrod Arthur in 2006 and they have two children, Kelton and Kennedy, who both enjoy showing cattle and horses. The Arthur family lives east of Stillwater and raise show cattle for 4-H and FFA members.

OKLAHOMA

Fellow Oklahomans,

After four consecutive fiscal years of increased distributions to public schools, I am pleased to report a record breaking amount this last fiscal year. CLO distributed over $145 million to K-12 schools and higher education institutions. This eclipses fiscal year 2023's amount of $129.9 million, and we are currently on track to potentially having another record-breaking year. None of this could have been possible without the hard-working employees at the CLO who dedicated their efforts to maximizing revenues for the benefit of public schools.

But maximizing revenues is only part of the role the agency plays. We must also be diligent in our continued efforts to be good stewards of the land, find efficiencies in agency operations, and ensure that every dollar owed to beneficiaries is paid timely and accurately.

On behalf of our Commissioners, our agency, and our educational beneficiaries, I want to thank those who lease CLO land, minerals, and investment real estate. Our funding to education is truly a public-private partnership and without our partners in industries such as agriculture and oil & gas, we would not be as effective as we are in fulfilling our mission to support public education. We are proud of the role that the CLO plays in supporting these Oklahoman core industries.

Dan Whitmarsh
Secretary

ADMINISTRATION

The administration, legal and information technology divisions of the CLO work together to ensure the revenue-generating divisions are equipped, trained and protected to fulfill their functions.

The administration division is responsible for the overall management of the Land Office, while the legal division advises and counsels the commissioners, secretary, and agency personnel. CLO's IT division provides computer support, security, and general IT services.

ACCOMPLISHMENTS

As a unified team with the efforts of every CLO staff member, distributions to beneficiaries totaling $145.2 million, a 12.2% increase over FY23, and $4.6 million a 3.2% increase over previous FY12 record high.

Key highlights for the agency include:

- A divestment that concluded with a $10.2 million sale value.
- A lease to the City of Guymon with a nearly 100-year water supply, alleviating deep concerns about available potable water for the city in the future.
- The highest yearly lease bonus since FY2018 ~$9.8 million.
- Fall Ag Lease Auctions were a resounding success, raising over $16.5 million from the five-year leases that were auctioned —representing a 48% bonus.
- A settled claim for $13 Million for underpayment of oil and gas royalties.

COMMERCIAL REAL ESTATE

The Commercial Real Estate division manages the CLO's commercial real estate and direct investment portfolios, CRE manages 21 assets across the state, more than 350 active commercial leases and 8 million dollars in direct investments. CRE provides an opportunity to diversify the Commissioners of the Land Office's property holdings within Oklahoma.

ACCOMPLISHMENTS

The Commercial Real Estate Division had a busy year in FY 2024. Careful review of the CLO Real Property Investment Portfolio indicated space for beneficial divestment, and carefully selected acquisitions. The noteworthy divestment was the Robinson Renaissance Building acquired by the CLO in 2014. This auction concluded with a $10.2 million sale value. Through the completion of two exchanges CRE was able to acquire two high quality investment properties. These two acquisitions were valued at $2.45 million and represent increased portfolio revenue and diversification of the portfolio.

On the heritage side, CRE completed several new long-term leases, including a planned retail convenience store, several planned renewable energy projects, and a highly critical potable water lease. This last lease was the culmination of two years of collaboration between the City of Guymon and CLO. This lease is anticipated to provide Guymon with a nearly 100-year water supply, alleviating deep concerns about available potable water for the City in the future.

Beyond CRE activities benefitting the Real Property Investment Portfolio and Long-Term Commercial Leases, CRE renewed nearly 100 Short Term Commercial leases.

REAL ESTATE

The Commissioners of the Land Office has nearly 726,000 acres of land in 42 counties managed by the Real Estate Management Division. Income earned through leasing these lands is directly distributed to the beneficiaries of the trust.

Approximately one-fifth of the total agriculture leases are appraised and offered annually for a five-year term. The division also works with lessees to protect and improve trust land for generations to come.

ACCOMPLISHMENTS

The Fall Ag Lease Auctions were a resounding success, raising over $16.5 million from the five-year leases that were auctioned, representing a 48% bonus. The Real Estate team were assisted by the I.T. Division, the Financial Services Division, and other CLO staff who, working together, made this such a resounding success.

Our Real Estate Management Specialist (REMS) in the field were also able to cover more territory while continuing to provide outstanding service to our CLO Lessees.

MINERALS

The Minerals Management Division oversees the leasing of nearly 1.1 million mineral acres held by the CLO for the benefit of public education. The Royalty Compliance Division ensures the CLO is properly compensated for those mineral assets. Together, these two divisions ensure maximum benefit for Oklahoma's current and future students while protecting the mineral assets of the CLO.

Accomplishments

The Minerals Management Division produced a Lease Sale Bonus: ~$9.8 million – this is the highest yearly lease bonus since FY2018. The Cache Creek Plugging project plugged six wells under budget, within the allotted time with no safety issues. This project was also nominated for the 2024 Environmental Excellence Celebration award. The division partnered with the OCC in utilizing IIJA Federal Plugging funds to plug wells on State Land. These accomplishments were achieved all while managing mineral assets to attain $49 million in mineral royalties.

FINANCIAL SERVICES

The Financial Services division is responsible for the accounting, financing, the investment portfolio and overall financial health of all seven of the CLO's educational trusts. In addition to generating more than 75 percent of distributable revenue, this division also ensures distributions are made directly to local school districts and universities every month.

ACCOMPLISHMENTS

The Financial Services Division had record-breaking distributions to educational beneficiaries totaling $145.2 million, a 12.2% increase over FY23, and $4.6 million a 3.2% increase over previous FY12 record high. The division transitioned a $2.8 billion investment portfolio to Northern Trust 7/1/2023 enabling the agency to recognize efficiencies and improve reporting, including cost savings of $25,000 in first year. FSD also, converted 55 FTE from monthly to biweekly payroll 6/30/24, alleviating issues created by processing payroll prior to month end and creating more accurate payroll reporting. Lastly, FSD received the Certified Achievement Award from the GFOA for the Agency's Annual Comprehensive Financial Report (ACFR) for the fifth consecutive year.
