Commissioners of the Land Office Receives Financial Reporting Award

Oklahoma City- The Government Finance Officers Association of the United States and Canada (GFOA) announced the following press release in late August of this year:

"Government Finance Officers Association of the United States and Canada (GFOA) has awarded the Certificate of Achievement for Excellence in Financial Reporting to **Commissioners of the Land Office, State of Oklahoma** for its annual comprehensive financial report for the fiscal year ended June 30, 2023.

The report has been judged by an impartial panel to meet the high standards of the program, which includes demonstrating a constructive "spirit of full disclosure" to clearly communicate its financial story and motivate potential users and user groups to read the report. The Certificate of Achievement is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management."

The CLO is honored to accept this award for the fifth straight year. The Certificate of Achievement for Excellence in Financial Reporting serves as a testament to the CLO's continued pursuit and achievement of government transparency and accountability.
